

SEEING LIVES CHANGED!

♦ **Meet Blake.** Blake lived a life of drugs for most of his life. He was incarcerated in the Benton Detention Center where he met Jesus Christ, thanks to the faithful jail ministers who loved him out of the kingdom of darkness into the Kingdom of Light. Today Blake works full time at Freedom Seekers, a faith-based ministry that takes men like Blake out of the cycle of being in and out of jail and provides them with a transitional living alternative to returning to their old environment.

Blake is one of many whose lives are changed by encountering Jesus Christ at the Benton County Detention Center. You can hear Blake's story and others at nwachaplains.com. Click on the *Testimonies* link. And check out the rest of the web site as well.

- ♦ **Ministering in the jail is only part of the work of the ministry.** Supporting the men and women who daily wear the badge to "serve and protect" is a vital part of the work of the chaplains as well. Chaplains provide help in coping with the stress of those who choose a law enforcement career (and that stress can be overwhelming at times), provide marriage and family counseling, or just provide a "hearing ear" for those who need to talk about their lives.
- ♦ **There is no word on when our jail ministers can return to the detention center.** In the meantime, please keep our prisoners in your prayers. And, be praying for all our men and women who serve and protect.
- ♦ **We deeply appreciate the prayers and financial support by our ministry partners.** You can learn more about our work on our web site, nwachaplains.com or on our Facebook page at Northwest Arkansas Chaplain Ministries.
